Teacher Name: Allison Heath    Room Number: D110
You may contact me through Canvas or Email: allison.heath@canyonsdistrict.org
I will be sending announcements to students through Canvas, and the Remind 101 App. To join Remind, for class updates/reminders, text the following to 81010 according to your class period: Period 2 & 3: @eceteach19

Course Content:
This year-long course prepares students for child related careers through personal interaction with children. Instruction is given in developing positive relationships with and learning experiences for children, childcare policies and management guidance techniques, and health and safety concerns. On-site preschool experiences will be a major component of the course. We will also be working on requirements towards earning the CDA certification. Previous successful completion of the Child Development course is REQUIRED.

Class Fee/Food Handler’s Permit:
We do not have a class fee., however you will be required to have a Food Handler’s Permit. It is $25.00 for the online course. If you already have one you do not need to pay the $25.00. You will also have the option of purchasing a sweatshirt. The cost for these will also be $25.00.

Students are expected:
● To come to class on time everyday
● To come to class prepared to listen, learn & participate in the planning, the function and the clean-up of the preschool.
● Take notes during instructional time, using guided notes and/or graphic organizers.
● Keep an organized binder of notes and CDA work.
● To demonstrate respect for fellow students, the preschoolers, teachers, and parents.
● To stay in the classroom or lab unless given permission by the teacher to leave.

Attendance:
We will be adhering to the school’s attendance policy. If a student accrues 5+ absences or tardies (A, W, G or T coded) a student will receive no credit (NG) for that class until the attendance is made up.
If you are absent, whether it is excused or not, it is YOUR responsibility to get the assignment/test from me and make it up within the next week.

Notes:
Students will take notes during instructional time through guided notes which are present in their binders. These are meant to engage students through class lectures, and be available to refer back to when completing assignments and studying for tests. Guided notes will be turned in along with the rest of the unit’s work.
**Grading:**
Students will be graded on assignments, lab work, lesson plans, teaching, and other assessments. Grades will be based on total points. This is a very interactive class and students must be able to work independently and be self-motivated. In this class, the students ARE the teachers and so they must be highly responsible to fulfill their teaching assignments and assessments. **Because you are the teacher influencing these preschooler’s lives, the assignments and assessments given are very important. Students who do not have C- or above at the mid-term of the 2nd Term will be asked to have a conference with Mrs. Heath to complete a student contract. **

**Late Work & Absent Work:**
If you are absent, it is your responsibility to contact me and get any make up work. Missed assignments or assessments may be made up until two weeks before the quarter to allow the Mrs. Heath the finalize grades.

**Quiz Re-takes**
Quiz retakes are an option if needed -- An additional review sheet will be required to retake a test. You can come and retake the test during APP. The retake score will be the one that goes on your grade.

**Make-Up Participation Points:**
For those who have an excused absence and have missed participation points, there will be an opportunity to earn points by reading either a newspaper or internet article on a current event relating to children. The student will need to write two paragraphs (at least 5 sentences each) reviewing the article and attach it to a copy of the article and hand it in.

**Academic Prep Period:**
In an effort to provide students with extra help, HHS is incorporating APP for students to make up missing work, ask questions, take tests, etc. each day. Please utilize this time, and receive any extra help. If any additional help is needed, students can meet with the teacher MWF mornings, by appointment only. Please email me to set up an appointment.

**Dress Code:**
Students will be expected to strictly follow the school and district dress code standards. Remember that you are teaching young, impressionable children. It is important that you dress appropriately at all times i.e.: no cleavage, no tummies and no cracks showing. If you come dressed inappropriately, you will lose your participation points for the day, and you will be asked to wear a t-shirt, which I will provide for the day. Face piercing, extreme hairdos or any bizarre or extreme attire will NOT be acceptable in preschool.
Cell Phones & Electronic devices: 
No cell phone use will be allowed during instructional class time or when students are working directly with the preschoolers in the lab or classroom. They may be used in the classroom only when preschoolers are not there and for the specific purpose of preparing lesson plans.

Language and Behavior: 
Students will be expected to use clean language. Swearing, crude terms and conversations about inappropriate subjects will not be acceptable in our class. Loss of the participation points for the day will result. Students will be expected to be good examples to the preschoolers at all times.

Field Trips: 
We will be going on field trips throughout the year. Students whose grade is a C or better in this class AND the class they will miss will be allowed to come with us. Students will be expected to dress according to school policy and be on their best behavior during these excursions.

School Wide Expectations: 
- Huskies always remove hats and follow the dress code.
- Huskies always eat lunch in designated areas and keep halls/restrooms clean.
- Huskies always attend class on time, all the time, and never sluff.
- Huskies always show respect to and expect respect from all adults.

Please sign and return this portion of the disclosure back to Mrs. Heath.

I have read the disclosure for Mrs. Heath’s Early Childhood Education Class. I understand what is expected of me and I agree to abide by the established rules.

The Child Development program offers a curriculum centered around various aspects of child development, from infancy to early childhood education. Here are some key features:

**Course Content:**
- Value of Children
- Heredity and Genetics
- Prenatal Development
- Infant Development
- Toddlers
- Preschool

**Lab Fee:**
There is a $10.00 LAB FEE for Child Development. Make payments to the main office, or online, and show me proof of payment. **Be sure to tell them it's for Child Development with Heath.** All students must bring me a receipt. This fee pays for classroom activity supplies.

**Notes:**
Students will take notes during instructional time through guided notes which are present in their workbooks. These are meant to engage students through class lectures, and be available to refer back to when completing assignments and studying for tests. Guided notes will be turned in along with the rest of the unit’s work.

**Electronic Babies/Empathy Belly:**

**Empathy Belly:** As part of the curriculum in Child Development we will discuss pregnancy, birth and parenting. During the semester the student will wear an empathy belly during the school day. It weighs about 25 pounds. If your student is unable to carry the weight of the empathy belly for health concerns, they will be assigned an alternative assignment.

**Electronic Babies:** Our department owns electronic babies that will be sent home for a night during the semester. The students will be able to sign up for a specific night and “parent” their “child” during this time. It will not be distributed during school and they are prohibited from taking the babies with them to their classes. If for any reason the babies are broken or vandalized, it is your responsibility to pay for the replacement baby or parts.

**Grading:**
Grades will be calculated based on total points. We will do assignments, tests, workbook checks, participation, and projects.

### Tests/Projects:

There are 5 tests in this course. Test retakes are an option within one week of test. An additional review sheet must be required to retake a test. You can come and retake the test during APP. The highest score will be the one that goes on your grade.

### Absences/Tardies:

It is the RESPONSIBILITY of the student to obtain missing assignments, quizzes and/or tests. Work will be available on canvas or in your Workbooks. If you need to, come see me with questions during APP or after school. Absent work will be listed as a “0” until it is turned in. You will have until the end of the next unit to turn in absent work for full credit.

### Academic Prep Period:

In an effort to provide students with extra help, HHS is incorporating APP for students to make up missing work, ask questions, take tests, etc. each day. Please utilize this time, and receive any extra help. If any additional help is needed, students can meet with the teacher MWF mornings, by appointment only. Please email me to set up an appointment.

### Class Expectations

- Follow class procedures.
- Be responsible, respectful, safe and appropriate.
- No cell phones during class time, unless approved beforehand by the teacher.
- Be awake during class.

### School Wide Expectations:

- Huskies always remove hats and follow the dress code.
- Huskies always eat lunch in designated areas and keep halls/restrooms clean.
- Huskies always attend class on time, all the time, and never sluff.
- Huskies always show respect and expect respect from all adults.
Please sign and return to Mrs. Heath by **Tuesday August 27, 2019.**

**Please Return this portion of the disclosure Document.**

*Please provide proof of payment for $10 lab fee ASAP.*
Foods and Nutrition 1

Teacher Name: Allison Heath     Room Number: D110
You may contact me through Remind or Email: allison.heath@canyonsdistrict.org.
I will be sending announcements to students through the Remind 101 App. If you want to join
Remind, text the following to 81010 according to your class period:
Period 6- @foods196       Period 7- @foods197

Course Content:
- Safety/Sanitation
- Food Handlers Permit
- Kitchen Equipment and Management
- Food Measurements, Terminology, Abbreviations, and Techniques
- Carbohydrates/Fiber
- Quick breads, Rice, Grains, Pasta
- Protein, Lipids, Eggs, Milk
- Vitamins, Minerals, Water
- Dietary Guidelines and MyPlate

Lab Fee:
There is a $20.00 LAB FEE for Foods and Nutrition 1. Make payments to the main office, or online, and show me proof of payment. Be sure to tell them it’s for Foods 1 with Wilson. All students must bring me a receipt. This fee pays for groceries and kitchen supplies.

Notes:
Students will take notes during instructional time through guided notes which are present in their workbooks. These are meant to engage students through class lectures, and be available to refer back to when completing assignments and studying for tests. Guided notes will be turned in along with the rest of the unit’s work.

Grading:
Assignments 30%
Assignments are turned in by unit, and can be redone and turned back in, until the end of the next unit, for full credit.
Labs: 25%
We will be cooking often in this course. You will be assigned a group of 4-5 students to work with in a cooking group. Cooking duties are separated and assigned for each lab. You are to do your assigned job(s) and work as a team. Labs are worth 30 points. 10 of them will be given based off cleaning, 10 points will be given for your lab reflection, and 10 points will be assessed and given by the teacher. If you are absent and miss a lab, you must prepare the recipe at home and complete a Lab Make-Up Sheet by the end of the unit. Note: EVERYONE must pass a kitchen safety test in order to cook, following unit 1.

<table>

</tbody>
</table>
Performance Objectives: 10%

There are a variety of performance objectives that must be completed by each student. These assignments must be made up until the student reaches at least an 80 percent or higher. The student can redo these as many times as they would like, to reach the score they desire.

Tests: 35%

There are 7 tests in this course. Test retakes are an option if needed. An additional review sheet is required to retake a test. You can come and retake the test during APP. The retake score will be the one that goes on your grade.

-Absences/Tardies-

It is the RESPONSIBILITY of the student to obtain missing assignments, quizzes and/or tests. Work will be available on canvas or in your Workbooks. If you need to, come see me with questions during APP or after school. You will have until the end of the next unit to turn in absent work for full credit.

Academic Prep Period:

Please utilize this time, and receive any extra help. If any additional help is needed, students can meet with the teacher MWF mornings, by appointment only. Please email me to set up an appointment.

Class Expectations:

- Be to class on time.
- Be awake and alert during class.
- NO taking extra food without permission.
- Take responsibility for necessary make up work or absent work.
- Have an open mind, willingness to learn, and try new things.
- Keep the classroom and kitchens CLEAN.
- Follow lab rules and class procedures.
- Be responsible, respectful, safe and appropriate.
- I WILL NOT tolerate bullying.
- No cell phones during class time, unless approved beforehand by the teacher.

School Wide Expectations:

- Huskies always remove hats and follow the dress code.
- Huskies always eat lunch in designated areas and keep halls/restrooms clean.
- Huskies always attend class on time, all the time, and never sluff.
- Huskies always show respect and expect respect from all adults

Misconduct: If students do not follow the lab rules or procedures they will immediately be removed from the kitchen and only receive partial points for that day. These points cannot be made up. If any intentional harm is done to the classroom supplies, or areas, students will be fined. If any student is caught bullying, they will be sent to the office immediately.

Welcome to CCR!

I am excited to explore your post-high school options with you! No matter what your plans are—whether you want to continue schooling or enter the business world—this class is designed to help you succeed in today’s competitive job market. We will explore different careers and colleges as well as strengthen your skills to prepare you for the world beyond Hillcrest.

Absent and Late Work:

In preparing for a career, it is important to show dedication and punctuality. Since practicing makes perfect, it is important to start practicing those factors from an early point. I understand life happens and a day might be missed, in that case it will be the STUDENT’S responsibility to find out what he/she missed that day. Students will have until the last day of the unit to turn in late work.

Academic Prep Period:
