  o 9th graders GPAs are progressing
    ▪ Find data on 9th grade GPAs in high-school vs. middle-school
  o Declining Hillcrest Attendance Risk
    ▪ 1st quarter more positive
  o Graduation Rates
    ▪ If a student leaves our school, and is not confirmed on the records of another school, they stay on our record and count as a drop-out.
  o ACT
    ▪ Proficient means “ready to go to college” – normed across the nation
Future Discussion: ACT Prep Course

- Teen ACT (after-school program)
- Consider—it’s a data point

- SAGE
  - Math is still below 40% in both ACT and SAGE
  - We need to keep picking at it to get it up

- Reading
  - Kids are trying harder on SRI because reading takes them out of their elective until they get their score up

  - Future: Get reading data for subgroup: ELLs

- Keep Discussing in Jan./Feb.
- We’ll write the plan in March
- Email data packet as some attachments out to whole SCC for those who couldn’t attend
